New Business:

WELCOME NEW BOARD MEMBERS: Gibson welcomed new board members Schlosser and Miller and thanked former member Weber for past and future time and commitment.

Old Business:

BARBER SCHOOL. Weber informed the Board that with the reciprocity with Minnesota a reality it could be possible use Minnesota Barber Schools to attract barbers to South Dakota. No action will be taken at this time, tabled to April.

NONRENEWALS OF BARBERS/SHOPS: It was brought to the boards attention that several barbers and/or shops have not renewed.

SHOPS NOT YET INSPECTED: Board members had been provided with an informational list of shops not inspected yet this year. Discussion was held and Post reminded the board that they had received a letter from Assistant Attorney General Scott Bogue stating that inspection could be done on a best job that can be done with the finances and manpower available basis.

PETITION TO RAISE FEES - LEGISLATURE: Post informed the board that there were approximately 100 signatures on the petitions. Post will put these petitions in the Legislation File so all this information is available for the 1995 Legislative Session.

MINNESOTA RECIPROCITY: Post informed the board that Minnesota signed the reciprocity agreement.

EXPLANATION OF ADDITIONAL REVENUE: Trinneer explained to the board that a year ago the state changed their company numbers on the computer and in the shuffle \$2,129.00 was left out of the Barber Board total. This was discovered when the FY 1994 annual report was being prepared.
